

THE ONLINE CREDENTIAL APPLICATION IS NOW OPEN

The Department of Public Instruction has an “online application” process for all your administrative, counselor, librarian, Title I/remedial, and special education director credentials. The new online credential applications can be accessed on “*ND Teach*”.

Please access this link to enter the *ND Teach* website

<https://secure.apps.nd.gov/dpi/ndteach/Login.aspx>. The first requirement will be to obtain a North Dakota Login and Password. If you already have a ND login/password through another state agency (i.e. Game and Fish), you can use this existing account for *ND Teach*. If you have an existing ND login/password that has been shared with others, we recommend that you obtain a new ND login/password for ND Teach as this system will contain confidential information such as the social security number.

Below is a screenshot of the *ND Teach* website outlining how to register for a password and start your *ND Teach* application.

ND Department of Public Instruction, ND Education Standards and Practices Board

Note: You will want to keep record of your login, password, and security questions. This information should not be shared with anyone else since this will allow access to your personal information (which includes your social security number).

If you encounter difficulty or the system is not responding during the application process, please contact us at (701) 328-2597 or by e-mail: kjmittleider@nd.gov to get the problem corrected.
